

Does your charity's annual report fail to do justice to the great work you do?
Is it tired, uninspiring or even just a Word document full of facts and figures?

Introducing...

...our affordable and effective annual report package, specially designed for small and medium-sized charities.

Let us look after everything: we'll conceptualise, carry out interviews, write, design and professionally print your annual report, leaving you to get on with other important communications work.

Our guarantee

If you don't love it, we'll rewrite it until you do!

At just £5,425, our package will pay for itself. We'll help you attract those donors and funders who'll be impressed by your compelling high quality annual report.

"You promised and you delivered! It's a great feeling when a project such as this comes to fruition and we could not have achieved such a fantastic result without the skill and professionalism of ngo.media."

John Whitehouse, head of promotions, BTCV

"Nacro has worked with ngo.media for the second year running on its annual reviews. We're very happy with the results and the process: real attention to establishing and delivering what we needed."

Melior Whitear, head of communications, Nacro

WHAT YOU GET

- 16 pages of inspiring copy – concentrating on your successes, your impact and your plans for the future.
- Three moving case studies that illustrate the difference you make.
- Welcome letter, financial info, plus inspiring facts, stats and highlights pages.
- Striking, effective design, packaged according to your brand and using your images.
- Proofreading: your report will be proofread twice by our eagle-eyed team.
- 1,000 copies, printed on 130gsm silk paper (215gsm cover) and delivered to your door.
- Free web-enabled PDF version for your site.

OPTIONAL ADD ONS

We've kept our package quite basic. We wanted to make it accessible to even the smallest charities, who may have never outsourced their annual review before. However, we're delighted to offer the following extras, to meet your own particular needs:

- more pages
- more copies
- flaps, fold outs, cut outs
- recycled paper
- original photography
- extra graphs and charts
- anything else you need!
